## **PRESENTERS:**

### **Lenny Hayes, M.A.**

Lenny Hayes, MA, is an enrolled citizen of the Sisseton Wahpeton-Oyate of the northeast corner of South Dakota. Lenny is owner and operator of Tate Topa Consulting, LLC. He has extensive training in mental and chemical health issues that impact the Two Spirit/LGBT community. Lenny has always worked within the Native American community which includes the American Indian Family Center, St. Paul, MN Mille Lacs Band of Ojibwe, Shakopee Mdewakanton Sioux community, and was a consultant/therapist with the Little Earth of United Tribes, Minneapolis, MN. He is currently in private practice specializing in Two-Spirit/Native LGBTQ issues with adults and youth. Lenny was most recently selected to be a technical assistant/consultant with SAMSHA Tribal Training and Technical Assistance. His lived experience and training have made him a sought after workshop presenter on Native American Historical and Intergenerational Trauma and how it impacts the Native American community as well as the Two-Spirit/Native LGBTQ individual and community. Lenny has traveled nationally training on Two-Spirit/Native LGBTQ issues.

### **Charon Asetoyer, M.A. (Comanche)**

Charon Asetoyer is a Native women's health advocate, she is CEO and Founder of the Native American Community Board located on the Yankton Sioux Reservation in South Dakota. The organization is known for Indigenous women's right locally, nationally and internationally. The NACB has published reports and policy papers on Indigenous women's health. International work includes consultations with WHO's Global AODS program under the late Dr. Jonathan Mann, addressing the UN Human Rights Commission Geneva on the status of Indigenous Peoples, participation in Working Group on Indigenous Populations, participation in various International forums. August 2001, facilitated UN Working Group on "The Current Status of Health of the World's Indigenous Peoples", for the High Commission on Human Rights. Participates in the UN Permanent Forum on Indigenous Issues, appointed and confirmed by President Clinton's Administration the National Advisory Council for Health and Human Services, has served on NEJAC for US EPA and many other boards.
